Who We Are

Ever since we started out in Wooster, Ohio, the heart of the Amish County, we have made a commitment to do right by the trucking community.

As we've grown, we have never cut corners. Through launching our website in 2007, and moving our headquarters to Solon, Ohio in 2024, we are dedicated to quality products and keeping the cost affordable.

Our newest facility is 337,000 square feet and allows us to not only house our ever growing catalog of our machine-tested, in house products and equipment with onsite manufacturing as well. Our aim of the expansion has always been to keep quality control at the forefront and have critical supplies be readily available for our customers.

Helping you **HAUL SAFE** and **EARN MORE**

Here at Mytee Products, we believe that truckers are the lifeblood of America. You run supplies we need to live and thrive from the east to the west coast. We know flatbed trucking can be dangerous, you take on the challenge of rigging and hauling serious loads.

When we say **HAUL SAFE**, we mean:

- ✓ We innovate in-house to make tarps lighter
- ✓ Binders easier to use
- ✓ Straps easier to secure

When we say **EARN MORE**, we mean:

- ✓ By cutting out the middle man, you save money
- ✓ By choosing resilient products, you'll save money buying replacements less!

EPDM vs. Natural Rubber

EPDM is the best choice for securing tarps in hot weather. Natural Rubber works very well in most environments, but it is the best choice for winter use.

Heavy-Duty Curved Ground Protection Mats Black Diamond Plated

While these Ground Protection mats have a high Crush Rating of 240 PSI and High Load capacity (60Tons), it is important to note that they do not have structural strength like ramps. They are meant to distribute the weight over mostly uniform ground to protect the ground and prevent vehicles from getting stuck. They are not meant to be used over large gaps as a bridge/ramp.

Free Shipping Policy

(Website will display free shipping in such cases and you will be contacted separately with a shipping quote if your order includes the following items.)

* Free shipping is only valid for commercial addresses that do not require lift-gate service. **Residential/Liftgate Delivery and/or High Cost Service Areas, Oversize, and Arbitrary charges are extra.** If any of these services are used, you will be billed separately for them.

* We ship all orders within **2 to 3 business days** after receipt. Please be aware that transit times do not include the day that the order is placed, weekends and most holidays. If you should need expedited shipping please give us a call to find out more details.

* Carriers have a **Surcharge for Delivery to Certain Limited Access** Addresses (Remote Locations / Islands / Military Bases, Oilfields etc). Unfortunately these addresses will not qualify for our free shipping policy. Surcharges will be charged to the customer.

* Any State **compliance charges will NOT be covered under the Free Shipping Policy.** Customers will be responsible to pay all fees associated with the carrier's compliance charges to their state for their order.

* In some remote locations such as small, isolated, or far away towns the freight carrier may only delivery a certain day of the week which can delay delivery times. If you are concerned with your delivery time please contact customer service for more informatio.

Offer valid for a limited time only. Mytee Reserves the right to change our free freight policy at any time.
