All Roadwarrior products are manufactured in North America using high quality materials to ensure a long service life.

Roadwarrior® DPFs and Catalysts

Roadwarrior Inc. manufactures a range of high quality, aftermarket Diesel Particulate Filters (DPFs), Diesel Oxidation Catalysts (DOCs) and Selective Catalytic Reduction Catalysts (SCRs) for post-2007, medium to heavy duty trucks and buses.

The aftermarket leader with the largest selection of DPFs and catalysts on the market, Roadwarrior continues to lead the charge offering the first aftermarket SCR catalysts.

Roadwarrior parts are available for all major manufacturers and can be easily located using our user friendly cross-reference to the OEM part numbers. All parts are always newly built, never re-manufactured and come backed with a one-year warranty.

We have conducted extensive testing of our parts to ensure that backpressure, temperature and regeneration performance meet, or exceed, the standards set by the original manufacturer.

SUPPORTED BRANDS INCLUDE

CATERPILLAR FREIGHTLINER ISUZU MAXXFORCE STERLING CUMMINS HINO KENWORTH
 PACCAR VOLVO DETROIT DIESEL INTERNATIONAL MACK PETERBILT WESTERN

Diesel Particulate Filter (DPF)

- Tested in both the lab and field to produce the same emission reduction and backpressure as OEM parts
- Value added enhancements, such as modular designs to facilitate cleaning
- Always newly built, never re-manufactured
- Coated with Platinum Group Metals (PGM) to match OEM performance
- No core charges

Diesel Oxidation Catalyst (DOC)

- Mechanically and chemically engineered to work with OEM sensors and Engine Operating Parameters
- Coated with Platinum Group Metals (PGM) to match the catalytic activity of the OEM part
- Always newly built, never re-manufactured
- Premium metallic catalyst substrate
- No core charges

Selective Catalytic Reduction (SCR)

- The first aftermarket SCR option
- Compatible with OEM sensors
- Always newly built, never re-manufactured
- Coated to match the catalytic activity of the OEM part
- No core charges

GASKETS AND CLAMPS

- Replacement gaskets are now included in the box with Roadwarrior parts, some exceptions apply
- High quality, stainless-steel clamps are available with the purchase of a DPF, DOC or SCR or by the case
