

# How To Use ShareASale Links To Get Proper Commission Credit!

Welcome! We at Mytee Products are thrilled to have you in our Affiliate Program and look forward to our future business relationship with you!

Below we have a complete Step-By-Step Guide for you to follow so that you know you are using the right links for the right credit! To get commissions, you must be using a ShareASale affiliate link:

## Step 1: Log In

The screenshot shows the ShareASale dashboard. At the top is a blue navigation bar with the ShareASale logo and menu items: REPORTS, MERCHANTS, LINKS, TOOLS, ACCOUNT, and PAYMENTS. Below the navigation bar is the main content area. On the left is an 'Activity Feed' with a scrollable list of dates from Saturday, August 14th to today. On the right is an 'At A Glance' section showing a 'Current Balance' of '\$ 0.00' and a 'Setup Direct Deposit' button. Below these are 'MERCHANT SEARCH' and 'Alerts' (Tax Form Needed: 1). At the bottom, there are two sections: 'Programs of the Week' featuring a 'JOIN OUR AFFILIATE' banner for Mytee Products, and 'Your Top Merchants' table.

Your Top Merchants				
1	Mytee Products, Inc. 113927	Automotive	\$0.00 Commissions to Date	<a href="#">GET LINKS</a>
2	shareasale.com 47	General Web Services	\$0.00 Commissions to Date	<a href="#">GET LINKS</a>

## Step 2: Go to “Your Top Merchants” and find Mytee Products, Inc.

Home / Cargo Control / Ratchet Straps / Tie-Down Straps

### Ratchet Straps / Tie-Down Straps

No flatbed trucker can afford to be without a good supply of ratchet cargo straps on board. **Ratchet straps** are one of the primary means of securing cargo without risking damage. If you are a flatbed trucker who uses tie-down straps, ensure your ratchet strap supply is sufficient to handle any job you might encounter.

Our ratchet strap inventory includes more than a dozen different products to meet just about any need. Ratchet straps come in different sizes ranging from 2 inches in width to 4 inches. We carry heavy duty tie down straps with various kinds of anchors and hooks as well. All our straps are made with heavy-duty, durable webbing designed for application in most types of flatbed tie-downs scenario. Each strap is tagged with working load limit information for your convenience.
