

18 Months Warranty

All Mytee Products truck parts are covered by whichever comes first:

- One year or 100,000 miles driven from date of installation
- 18 months from the date of purchase from Mytee Products

Mytee Products warrants this product for defective material or workmanship provided the product is installed correctly for its intended use and application. The Mytee Products warranty does not cover parts that fail due to misuse, misapplication, or accidental damage.

Processing of a warranty request consists of three steps:

1. Approval from a customer service representative to return the part to Mytee Products for further examination. Freight to return the product is paid by the purchaser of the product.
2. Once received, Mytee Products will inspect the part for misuse, misapplication, accident damage, and any other cause not related to defective material or workmanship within 60 days of receipt.
3. If defective material or workmanship is confirmed, a corresponding credit will be issued to the purchaser.

Claims for labor, parts, or special/consequential damages are not valid under this warranty.
